2.—(1) Every person licensed to manufacture matches shall keep a stock book and such other books and records as may be required by the Comptroller, and shall render a monthly stock return of matches and a monthly return of banderolles in such form as the Comptroller shall direct.

(2) The monthly stock return of matches and the monthly return of banderolles shall be rendered on the last working day of each month to the officer appointed by the Comptroller under section 4 (5) of the Law (hereinafter in these regulations referred to as " the officer ").

3.—(1) All matches packed in boxes or made up in booklets during each day shall be enclosed in containers and removed to a compartment approved by the Comptroller in the factory and the manufacturer shall enter full particulars thereof in the stock book at the close of each day or at such other time as may be required by the officer.

(2) Containers of matches may be packed in any form of packet or other receptacle :

Provided that before delivery from the factory every such packet or receptacle shall be closed by the manufacturer to the satisfaction of the officer and shall further be marked with a consecutive number commencing with No. 1 at the beginning of each year.
